Fall rains have delayed corn harvest and the planting of small grains. Barley, in particular, needs to be seeded.

We continue to get questions about termite control. There are situations where the homeowner can adequately treat while other situations call for the services of a professional.

* * *

One place that you can usually do an acceptable job is at the time of new construction. A recent study underlines the importance of treating the site of a new building.

It was found that each colony of termites has a foraging range of about 135 square feet. At the test site, a builder would have exposed his new structure to 11 or 12 colonies containing more than 250,000 hungry termites. The insects would have had nothing to eat except the wood in the new building, as preparation of the building site would have destroyed their previous sources of food.

There will be two feeder pig sales at Farmville in November. The dates are 4 and 18. Consignment forms are available from our office. Pigs should be consigned at least a week before the sale.

The Annual Meeting of the Virginia Dark Fire Tobacco Growers Association will meet in Farmville next Thurs., Nov. 4, at 2 p.m. Tobacco growers are urged to attend this meeting and participate in the business affairs of the association.

* * *

Monday there will be a meeting relating to tax management from 1 to 3 p.m. at the County Extension Office. Management for maximum tax relief is important to everyone in agriculture. Plan now to attend this two-hour program.

If you haven't gotten fall onions planted - - better get on with the job. Onion sets planted in the fall will provide edible onions at least two weeks before spring planted onions.

Seed catalogs will be available in a few weeks. There will be several new All-American selections available for 1977 production. The new ones are:

Savoy Ace cabbage is a 1977 gold medal winner. Savoy is prized for cole slaw and cooking. The waffle textured leaves don't pack down and become soggy when made into slaw. The flavor surpasses ordinary cabbage and I'm told that you don't have the characteristic cabbage odor when cooked. The prime flavor occurs when it reaches 4 to 4½ pounds weight.

Melody spinach is a silver medal winner. This variety was especially developed for home gardeners. It is resistant to downy mildew and cucumber mosaic virus 1.

Scallopini squash is a bronze medal winner. It can be sliced or diced for salads or dips. The raw fruit is tender, sweet and nut-like in flavor. Or, you can cook Scallopini like Zucchini - - the taste is similar. The shape is similar to the "patty pan" squash but it's green color.

Spirit pumpkin, a bronze medal winner, is ten days earlier than standard Halloween varieties and reaches maturity at 10 to 15 pounds. Vines cover only about 5 feet; therefore, they can be grown in more confined areas than the usual pumpkin.

CORRECTION - LUCKY CLOVER 4-H CLUB

In last week's edition of the TIMES-VIRGINIAN, through error, we printed a total amount of $50.00 made by the club in the Bike-A-Thon. The correct total should be $466.95. We regret the error.

The corrected article is as follows:

The Lucky Clover 4-H Club met Monday night in the Pamplin Elementary School Library. President, Lisa Dickerson, called the meeting to order. After we pledged allegiance to the flags, secretary, Cynthia Hix, read the minutes of the last meeting.

We were very glad to see so many new members at our meeting. It was the largest meeting we have had for quite sometime.

Also, our club had the most members participating in the Bike-A-Thon. On behalf of the Lucky Clover 4-H Club, I would like to thank each and everyone who sponsored us in the Bike-A-Thon. By everyone giving so generously, our club was able to obtain the plaque for the club having the most money - over $466.95.

Mr. Sweet showed us a film on Camp Easter Seal for handicapped children. it costs $100.00 for each child to attend the camp. This year our club hopes to raise enough money so we can help send a child to camp.

After the film, refreshments were served and the meeting was adjourned.
